

Tara Angell, Bitch Please

You can't
Beat me
My dear
Ami

I'll always be a hundred miles
I'll always be a hundred miles
I'll always be a hundred miles
Ahead of you

You don't
Know me
The way
I know you

I'm sure it's hard to be a man
I'm sure it's hard to be a man
I'm sure it's hard to be a man

I know
You think
You blew
My mind

Eight hundred bucks is all you'll be
Eight hundred bucks is all you'll be
Eight hundred bucks is all you'll see
