

Tara Angell, Mr. Faith

I've been giving
I've been tapping in
I've been sleeping

I've been getting
Everything I need
I've been safe and warm

Are you waiting
Waiting for me
To push you away

Happiness
Is such a personal thing
I'll just leave it alone

If there has to be
A wrong and a right
I'll be right and you'll be wrong

Are you waiting
Waiting for me
To push you away
