

# Tara Angell, The Big One

I don't tell my friends  
When I go down with you  
I don't tell my sister

What I like to say to you  
But Oh, this is a pretty big one  
This is a pretty big one

I keep my worries to myself  
Never make a sound

But Oh, when you're six feet down  
It's gonna be hard to turn around

When you're six feet down  
It's gonna be hard to turn around  
It's gonna be hard to turn around

When you're six feet down  
It's gonna be hard to turn around  
It's gonna be hard to turn around  
It's gonna be hard to turn around  
It's gonna be hard to turn around
