

# Tara Angell, Uneven

Love leaves you  
Uneven  
I'm sleepless  
I'm free again

I never understood  
Why it ain't no good  
I never understood  
Why it ain't no good for me

I'm stealing  
That feeling  
The old man  
My weakness

But I never understood  
Why it ain't no good  
I never understood  
Why it ain't no good for me

It's never  
It's zero  
This business  
Where you go

But I never understood  
Why it ain't no good  
I never understood  
Why it ain't no good  
I never understood  
Why it ain't no good for me

He loves you  
He's far away  
You need him  
For all those days

But I never understood  
Why it ain't no good  
I never understood  
Why it ain't no good  
I never understood  
Why it ain't no good for me
