

# Tara MacLean, If I Fall

It seems so far to go  
It took so long to get here  
Now I'm saying things I swore I'd never say  
and I'm afraid again

I thought I had it in me  
I used to be so sure  
There I was stronger than ever  
And here I am blaming the hurt

And if I fall, I will find a way back to my hands  
I'm the only one who can help me find my feet again

Sweet little fighter  
Sweet little scar  
Sweet little fire  
in my heart

It seems so easy now  
everything I dreamed about when I was a child  
It looks like a good thing's here  
and I think I'll stay for a while

And if I fall, I will find a way back to my hands  
I'm the only one who can help me find my feet again

You came in screaming  
and never stopped to listen to your one and only prayer  
A place for you somewhere

Sweet little fighter  
Sweet little scar  
Sweet little fire  
in my heart

And if I fall, I will find a way back to my hands  
I'm the only one who can help me find my feet again  
And if I fall, I will find a way back to my hands  
I'm the only one who can help me find my feet again  
And if I fall, I will find a way back to my hands  
I'm the only one who can help me find my feet again
