

Tara MacLean, You

I never felt alone.
I was happy on my own.
And who would ever know...
There was something missing.
I guess I didn't see...the possibility.
It was waiting all the time.
But...it never crossed my mind.
Till you opened up my eyes.
Now all I think about is...

"You"...in my life...in my dreams.
In my heart...I know it's true.
That "I" belong with "You".
Because of "You"...in my world...in my arms.
I have everything...and...I...
Can't imagine what I'd do...
Without "You".

I never thought that love would be...
Such a curiosity.
What attracted you to me...
Was so unexpected.
But it was waiting all the time.
And it never crossed my mind.
Till you opened up my eyes.
Now all I think about is...

"You"...in my life...in my dreams.
In my heart...I know it's true.
That "I" belong with "You".
Because of "You"...in my world...in my arms.
I have everything...and I...
Can't imagine what I'd do...
Without "You".

"You"...in my life...in my dreams.
In my heart...I know it's true.
That "I" belong with "You".
Because of "You"...in my world...in my arms.
I have everything...and I...
Can't imagine what I'd do...
Without...

"You"...in my life...in my dreams.
In my heart...I know it's true.
That "I" belong with "You".
Because of you...in my world...in my arms.
I have everything...and I...
Can't imagine what I'd do.

I can't imagine what I'd do.
Without "You".

Without "You".
