

# Tara McLean, You

I never felt alone  
I was happy on my own  
And who would ever know  
There was something missing  
I guess I didn't see  
The possibility  
It was waiting all the time  
But it never crossed my mind  
'Til you opened up my eyes  
Now all I think about is...  
You  
In my life, in my dreams  
In my heart I know it's true  
That I belong with you  
Because of you  
In my world, in my arms  
I have everything  
And now, I can't imagine what I'd do  
Without you  
I never thought that love could be  
Such a curiosity  
What attracted you to me  
Was so unexpected  
But it was waiting all the time  
And it never crossed my mind  
'Til you opened up my eyes  
Now all I think about is...  
You  
In my life, in my dreams  
In my heart I know it's true  
That I belong with you  
Because of you  
In my world, in my arms  
I have everything  
And now, I can't imagine what I'd do  
Without you  
You  
In my life, in my dreams  
In my heart I know it's true  
That I belong with you  
Because of you  
In my world, in my arms  
I have everything  
And now, I can't imagine what I'd do  
Without you, in my life, in my dreams  
In my heart I know it's true  
That I belong with you  
Because of you  
In my world, in my arms  
I have everything  
And now, I can't imagine what I'd do  
I can't imagine what I'd do, without you
