

Tarja Turunen, Minor Heaven

Take my longings and believe them.
Light a candle if you know.
I breath love don't wanna be there.
These are things I got to know:
the magic seems so far
don't know who they are

Let me go Minor Heaven,
cause my blood to run.
Leave this place, unforgiven.
Heal me with your sun.
How can I come undone?
Let me know Minor Heaven.

Light a way for me to walk on
from the ashes to the sky.
Burn the thorns so I can hold on.
Trust in me I know I'm right.
You know it's gone too far.
Leave them where they are.

Let me go Minor Heaven,
cause my blood to run.
Leave this place, unforgiven.
Heal me with your sun.
How can I come undone?
Let me know Minor Heaven.

Even if nothing I'll become,
something I've been for all too long.
Let me go Minor Heaven.

Let me go Minor Heaven,
cause my blood to run.
Leave this place, unforgiven.
Heal me with your sun.
How can I come undone?
Let me know Minor Heaven.
