

# Tarralyn Ramsey, Everyday

## VERSE1

you the morning light  
you the air i breathe  
you are my inspiration  
never raise my wings  
you are my joy dear lord  
you are my soul  
you are my sunshine  
in the middle of the song

## {HOOK}

you give me peace (when i'm surrounded by confusion)  
if i ever have a problem (you offer a solution)  
can't put your trust in man (people always changin')  
no matter who comes and goes ( i know that you'll be standin' by me)

## CHORUS

ever-y-day the same  
jesus you'll never change  
you make me wanna sing  
sing,sing,sing,sing

ever-y-day the same  
jesus you'll never change  
you make me wanna sing  
sing,sing,sing,sing

## VERSE2

there ain't no way that i can live without you  
you are my consolation  
when i'm sad and blue  
you never flip or scream to me  
like some of my friends  
you were there from the start  
and i know  
you'll be there til' the end

## {HOOK}

you give me peace (when i'm surrounded by confusion)  
if i ever have a problem (you offer a solution)  
I can't put your trust in man (people always changin')  
no matter who comes and goes ( i know that you'll be standin' by me)

## CHORUS(2times)

ever-y-day the same  
jesus you'll never change  
you make me wanna sing  
sing,sing,sing,sing

ever-y-day the same  
jesus you'll never change  
you make me wanna sing  
sing,sing,sing,sing

## VERSE3

everytime i call  
you always answer me  
everytime i need you  
you are there for me  
opened up my blinded eyes  
when i couldn't see  
i'll tell the whole world  
you are my everything OHH...

CHORUS(2TIMES)
