

Tarralyn Ramsey, Saved

VERSE 1

I may not know all
The things that
I should know,
I don't even know the
Places I should go,
I don't even know about
The four winds, where they
Blow or why
I don't even know much
About the bright lights,
That shine from the
Eastern sky,
But I'm saved, I am saved,
Thank God I'm saved

VERSE 2

One thing that I have
Learned, things come

And things they go
Something else I've learned,
That nothing is for sure
I've come through
Disappointments, many a
Care and woe
But when everything seems
To crumble all around me,
I stand on one thing
That's for sure, that
I'm saved, I am saved,
Thank God I am saved

When the sky cracks
I'll be going back,
I'm saved, I'm saved
Saved, saved, saved,
Thank God I'm saved
