

# Tash, Ricochet

[Tash]

Mm.. sing that shit for daddy baby  
Pump this motherfucker up.. ricochet, ricochet  
RICOCHET (ricochet, ricochet)  
RICOCHET (yo homies, one two yo)

Mmm..

My style is too cold for words, it's like a bullet gone stray  
Ease off, I'm bout to speak and hit the wall and ricochet  
I rock the Cali way (for sure) I'm only in it to score  
Niggaz say I'm owed one, but it's more like four  
Hardcore entrepreneur, strainin like a champ  
Rollin out in sixty-three's, that hop without a ramp  
Young Tash Vamp'll kick your door in while you're snorin;  
now where's that salt you was pourin?  
I send the bullet soarin, yo ayy, let you slide? No way  
If you a -- &quot;Why do niggaz shoot?&quot; - (&quot;Alright, okay&quot; - Mos Def)  
I gotta buck you down for that shit you was poppin  
Now look how rotten the whole situation's gotten  
Tash showed you love you shoulda showed me some back  
If they catch me they gon' stretch me like Geronimo Pratt  
Cause I gotta lay you flat no matter what you say  
Homey thought he got away til he caught the ricochet

Ricochet..

[Notorious B.I.G.] &quot;Called the cops, said they heard mad shots&quot;  
[Ice Cube] &quot;Take that motherfuckers!&quot;  
Ricochet, ricochet..  
Ricochet..  
[Notorious B.I.G.] .. &quot;Called the cops, said they heard mad shots&quot;  
[Ice Cube] &quot;Take that motherfuckers!&quot;  
[B.I.G.] &quot;Neighbors called the cops, said they heard mad shots&quot;  
[Ice Cube] &quot;Take that motherfuckers!&quot;

[Tash]

I tried to warn you killer, my rap style'll have you sprung  
like a girl gave you head with a earring in her tongue  
Since Tash come from less than zero, my splurgin's urgent  
My mouth so foul, you couldn't wash it with detergent  
My Likwit niggaz swervin, mergin, like a rally  
Rearrangin niggaz grills like the '99 Denali  
Where the fuck we at Cali? - You motherfuckin right!  
I wanna see some action, burn somethin or fight  
cause see it's Tash night tonight, it's Tash night tomorrow  
I'm lookin for the hoes that got some sex I could borrow  
I'll gladly pay you back next Wednesday the 3rd  
(Why you laughin at me baby?) That's my motherfuckin word  
(word word word) Then it's words for nerds  
Tryin to rap as fly as Tash is totally absurd  
So everybody duck or catch the A.K. spray  
Homey thought he got away til he caught the ricochet

Ricochet..

[Notorious B.I.G.] &quot;Called the cops, said they heard mad shots&quot;  
[Ice Cube] &quot;Take that motherfuckers!&quot;  
Ricochet..  
Ricochet..  
[Notorious B.I.G.] &quot;Called the cops, said they heard mad shots&quot;  
[Ice Cube] &quot;Take that motherfuckers!&quot;  
&quot;.. mad sha-sha-shots&quot;

[Tash]

Newsflash on the screen, what the fuck does this mean?  
It say, &quot;Tash is takin over the world, behind the scenes

Just drinkin beers spacin, Likwit sweeps the nation  
But leave that man alone, cause you know his reptuation&quot;  
Brutalize the wicked world, I pump one verse of curse  
to beat you down, beat you up, then take your girl or vice versa  
You rap too commercial, you just cheat to compete  
I done paid a gang of dues, I even kept the receipts  
So you owe me homey, these corny niggaz outsold me  
So write that blank check to Tash, the one and only  
The only man standin when it's time for gunplay  
Homey thought he got away til he caught the ricochet

Ricochet..

[Notorious B.I.G.] &quot;Called the cops, said they heard mad shots&quot;
