

# Tata Young, Dhoom Dhoom

Dhoom dhoom come and light my fire  
Dhoom dhoom let me take you higher  
Dhoom dhoom I wanna feel that burnin'  
Dhoom dhoom it's a wild emotion  
Dhoom dhoom passion and devotion  
Dhoom dhoom now the wheels are turnin'

Move your body close to mine now  
Let me feel your love divine now  
Together we'll explode and we'll go boom boom boom

Dhoom machale Dhoom machale Dhoom  
Dhoom machale Dhoom machale Dhoom  
Dhoom machale Dhoom machale Dhoom  
Dhoom machale Dhoom machale Dhoom

Dhoom dhoom I'm gonna make you sweat now  
Dhoom dhoom let's get all wet now  
Dhoom dhoom gotta get down on it

Dhoom dhoom till the early morning  
Dhoom dhoom until the dawning  
Dhoom dhoom I know that you want it

Shake your body down to the ground  
Once you on there's no turnin' round  
Tonight we're gonna make the world go boom boom boom

Dhoom machale Dhoom machale Dhoom  
Dhoom machale Dhoom machale Dhoom  
Dhoom machale Dhoom machale Dhoom  
Dhoom machale Dhoom machale Dhoom

(Dance with me,dance with me  
This is my philosophy)  
(Dance with me,dance with me,oh yeah)  
(Dance with me,dance with me  
This is my philosophy)  
(Dance with me,dance with me,oh yeah)

This burnin' inside  
You know you just cannot hide  
So don't fight the feeling let your body decide  
When you get down on the road  
It's a wild overload  
Ridin' higher than you ever did before

Doom dhoom let your body do the talkin'  
Dhoom dhoom I wanna keep on rockin'  
Dhoom dhoom I want it twenty four seven  
Dhoom dhoom get the rhythm of the beat now  
Dhoom dhoom feel the fire and the heat now  
Dhoom dhoom take a trip to heaven  
I wanna feel the wind in my hair now  
Spread the power, everywhere now  
Feel the magic just go zip zap zoom

Dhoom machale.. Come on all you people

Dhoom machale Dhoom machale Dhoom  
Dhoom machale Dhoom machale Dhoom  
Dhoom machale Dhoom machale Dhoom
