

Tata Young, Sexy Naughty Bitchy

I pick all my skirts to be a little too sexy
Just like all of my thoughts, they always get a bit naughty
When I'm out with my girls, I always play a bit bitchy
Can't change the way I am, sexy, naughty, bitchy me

I'm the kind of girl that girls don't like
I'm the kind that boys fantasize
I'm the kind that your momma and your daddy
Were afraid you'd turn out to be like

I may seem unapproachable
But that's only to the boys who don't have
The right approach or ride that makes
A girl like me wanna hop in and roll

They think it's intimidating
When a girl is cool with her sexuality
I'm a 180 to the stereotype
"Girls like staying home and being innocent"

I pick all my skirts to be a little too sexy
Just like all of my thoughts, they always get a bit naughty
When I'm out with my girls, I always play a bit bitchy
Can't change the way I am, sexy, naughty, bitchy me

My mouth never takes a holiday
I always shock with the things I say
I was always the kid in school
Who turned up to each class about an hour late
And when it comes to the guys I'd lay,
I'd always pick the ones who won't figure out that
I was clearly rebel to the idea of monogamy

They think it's intimidating
When a girl is cool with her sexuality
I'm a 180 to the stereotype
"Girls like staying home and being innocent"

I pick all my skirts to be a little too sexy
Just like all of my thoughts, they always get a bit naughty
When I'm out with my girls, I always play a bit bitchy
Can't change the way I am, sexy, naughty, bitchy me

Sexy, sexy, sexy...
Naughty, naughty, naughty...
Bitchy, bitchy, bitchy...
Me...

Sexy, sexy, sexy...
Naughty, naughty, naughty...
Bitchy, bitchy, bitchy...
Me...

They think it's intimidating
When a girl is cool with her sexuality
I'm a 180 to the stereotype
"Girls like staying home and being innocent"

I pick all my skirts to be a little too sexy
Just like all of my thoughts, they always get a bit naughty
When I'm out with my girls, I always play a bit bitchy
Can't change the way I am, sexy, naughty, bitchy me

I like all of my shorts to be a little too shorty

Unlike all of my guys, I like them tall with money
I love all of my nights to end a little bit nasty
Can't change the way I am, sexy, naughty, bitchy me

I pick...my skirts...to be...sexy...
Just like...my thoughts...a bit...naughty...
When I'm...out with...my girls...bitchy...
Can't change...I am...
Sexy, naughty, bitchy me
