

Tate McRae, It's ok I'm ok

See u so excited
U got him locked down
Ur moving like I did
Before I found out
He ain't just a pretty faced talker
Good with his money
Close to his mother
Ur seeing one-sided
U got him right now

And she be like he's so perfect
I be like oh, what version ?
Ain't nobody got me this nervous
Oh baby I been there
And right in that same position
So baby don't get this twisted
No, nothing could make me miss it
Take him he's yours

It's ok I'm ok
Had him in the 1st place
It's ok I'm ok
It's ok I'm ok
I don't rilly gotta say it's ok
You can have him anyway
Anyway
You can have him anyway
Anyway

Was such a romantic
U got me like fuck that
Some months and some long flights
Now I can't go near that

And she be like he's so perfect
I be like oh, what version ?
Ain't nobody got me this nervous
Oh baby I been there
And right in that same position
So baby don't get this twisted
No, nothing could make me miss it
Take him he's yours

It's ok I'm ok
Had him in the 1st place
It's ok I'm ok
It's ok I'm ok
I don't rilly gotta say it's ok
You can have him anyway
Anyway
You can have him anyway
Anyway

I don't want him anyway, girl take him
I don't want him anyway, girl take him
I don't want him anyway, girl take him
I don't want him
I don't want him
I don't want him anyway, girl take him
I don't want him anyway, girl take him
I don't, it's ok, it's ok, take him
I don't want him
I don't want him
