

# Tatiana Okupnik, Don't Hold Back

Don't hold back  
You got to find your way  
Don't hold back  
You got to find your way  
Don't let them bring you down  
Don't let them steal your dream  
You've got the right to be exactly  
Who you really wanna be  
Don't let them tell you what to say  
Or what to do or who to be  
Cause you've got only  
One life to live  
Sometimes it ain't so easy  
To trust in what you feel  
Hold on to what is real  
When the fight is gone  
Got to keep your head up high  
Keep reaching for the sky  
Left the love from deep inside  
Keep you growing strong  
Don't hold back  
You got to find your way  
Don't hold back  
You got to find your way  
Don't hold back  
You got to find your way  
Don't hold back

You got to find your way  
It's time to be yourself  
It's tell you to tell yourself  
You're big and strong enough  
To make it happen your way  
Wake up and take a chance  
To breath to dance to live to feel  
To see the beauty  
Don't be afraid

Sometimes it ain't so easy  
To trust in what you feel  
Hold on to what is real  
When the fight is gone  
Got to keep your head up high  
Keep reaching for the sky  
Left the love from deep inside  
Keep you growing strong  
Don't hold back

You got to find your way  
Don't hold back  
You got to find your way  
Don't hold back  
You got to find your way  
Don't hold back  
You got to find your way  
Never give up on love  
It will guide you

Like the river flowing swiftly to the sea  
No never give up on love  
No matter you do  
And the rhythm of your heart  
Will set you free
