

# Tatu, All my love

Love me for who I am  
Love me for who I am  
Love me for who I am  
I'm yours  
Love me for who I am  
Love me for who I am  
Love me for who I am  
I'm yours  
I regret what I said  
I was scared and upset  
and i've made a mistake  
I accept all the blame  
and I lied  
Sorry, forgive me  
Please  
And I know i betrayed  
every fault that I made  
and the pain that i caused  
all the promises lost  
yes I lied  
Sorry, forgive me  
Won't you please just love me  
and hold me  
and tell me you forgive me  
love me and hold me  
I'm sorry  
won't you please forgive  
Love me for who I am  
Love me for who I am  
Love me for who I am  
I'm yours  
Love me for who I am  
Love me for who I am  
Love me for who I am  
I'm yours  
I regret what I said  
I was scared and upset  
and i've made a mistake  
I accept all the blame  
and I lied  
Sorry, forgive me  
Please  
And I know i betrayed  
every fault that I made  
and the pain that i caused  
all the promises lost

Sorry, forgive me
