

Tatu, Ya Tvoi Vrag (I Am Your Enemy)

Smoke of the cigars,
Old bouquet
24 hours a day I am watching TV.
The balcony is open wide
And telephone doesn't ring.
Cannot breathe without you
And I am telling to myself.

It just happened
I am your enemy now
What crime have I done?
It just happened
I am your enemy now
I won't ask for forgiveness.

City doesn't sleep.
Time stops.
Now , who are you playing with?
Day or year,
Was announced boycott for me.
I can not understand how to live now.
You can not forgive me.

It just happened
I am your enemy now
What crime have I done?
It just happened
I am your enemy now
I won't ask for forgiveness.

[YA TVOI VRAG]

Tvoy vrag
Ya t'eper' tvoy vrag
Tvoy vrag

Dim sigaret
Stariy buket
Sutki smotru v televizor
Nastezh balkon
I molchit telefon
Zadihaus' bez tebya
I tverzhu pro sebya

Prosto poluchilos' tak
Ya t'eper' tvoi vrag
Za kakoe prestuplenie
Prosto poluchilos' tak
Ya t'eper' tvoi vrag
Ya n'e poproshu proshenia

Gorod ne spit
Vremya stoit
S kem tvoi igri sevodnya
D'en' ili god
Mnye obyavlen boykot
Ne poimu kak dal'she zhit'
Ti ne mozhesh prostit'

Prosto poluchilos' tak
Ya t'tper' tvoi vrag
Za kakoye prestuplen'ye
Prosto poluchilos' tak
Ya t'eper' tvoy vrag

Ya ne poproshu proshen'ya

Tvoi vrag
Tvoi vrag

Prosto poluchilos' tak
Ya t'tper' tvoi vrag
Za kakoye prestuplen'ye
Prosto poluchilos' tak
Ya t'eper' tvoy vrag
Ya ne poproshu proshen'ya
