

Tatyana Ali, Daydreamin'

(feat. Lord Tariq and Peter Gunz)

[Chorus]

All day long I think of you
I cant even think of things to do
Wishin all of my daydreams come true
Now baby what am I to do
Ohhh Ohhh ohhh whoe whoe

[Tatayana]

I think about yesterday
Somebody was talkin to me
But I couldnt understand a word they said
Not that I was tryin to be rude
But conversation couldnt make it through
The thoughts of love I had for you

[Bridge:]

Baby your face takes up my time
Cuz I can jus see your face with mine
I try to change my thoughts
Its a waste of time
You keep my mind Occupied

[Chorus]

[Tatayana]

Tell me what am I to do
When I can only think of you
Even when I have simple things to do
Like talkin on tha telephone
Or watchin tv when somethins on
If It aint about u then whats tha use

[Bridge]

[Chorus]

[Lord Tariq]
