

# Tatyana Ali, Love The Way You Love Me

Come here,  
I wanna tell ya something  
I love it when you touch me with the feeling of romance,  
Oh, in the middle of the dance,  
I love the way you love me.  
Something 'bout the magic of your kisses in the dark,  
All up in my heart,  
I love the way you love me.  
I love the way baby,  
uh huh uh huh  
oh oh baby  
Talkin' 'bout the love you give,  
Strong and yet sensitive.  
You take my breath away,  
I go crazy,  
When you touch me tenderly,  
Cuddle up next to me,  
I never felt this way.  
When you hold me close I just wanna cry.  
Little tears of joy fall from my eyes.  
I love you when you touch me with the feeling of romance,  
In the middle of the dance,  
I love the way you love me.  
Something 'bout the magic of your kisses in the dark,  
All up in my heart,  
I love the way you love me.  
Think I'm falling,  
Hopelessly in love with you.  
Deeper than I wanted to.  
You fill me with desire,  
Hear me calling.  
Hungry for another kiss.  
Never tasted love like this.  
You set my soul on fire  
No one else could ever take your place (take your place)  
You're the reason for the smile on my face.
