

Tavares, The Ghost Of Love

The ghost of love keeps hauntin' me
Although you're gone, I can't get free
Just when I think (When I think) I'm over you (I'm over you)
The ghost of love says, "Peek-a-boo";
Peek-a-boo (Peek-a-boo), I see you (I see you)
May all your nights be full of fright and all your days be blue

Ooh...ooh...ooh...

You went away, I met this girl
Night and day she shared my world
Just when I thought I had forgot
That loving spell you weave so well

Suddenly that look comes on my face
And I start starin' way out of space
I know why the girl stopped comin' 'round
The ghost of love has done run her out of town

The ghost of love keeps hauntin' me
Although you're gone, I can't get free
Just when I think (When I think) I'm over you (I'm over you)
The ghost of love says, "Peek-a-boo";
Peek-a-boo (Peek-a-boo), I see you (I see you)
May all your nights be full of fright and all your days be blue

Ooh...ooh...ooh...

Your love has died, but mine won't rest
This feelin' for you is jumpin' in my chest
No one else can fill the bill
I'll wait for your return and pray that you will

'Round about the midnight hour
I start to feel your lovin' power
Right away I'm tossin' in my sleep
Daybreak finds me wrapped up in my sheets

The ghost of love (Ghost of love)
Is haunting me {Is haunting me} (Haunting me)
