

Taylor Big, Don't You Know

Oh don't you know,
Well can't you see,
Aw, can't you tell baby,
What you've done to me.
I can't sleep at night,
I just toss and turn,
I kick the covers off,
And lay there and burn.
I can't do my job,
Or nothing else right,
Cause you on my mind baby,
All day and all night.
I'd fight your man,
And I might take his life,
If it was that simple,
That you'd be my prize.
Ain't afraid of the devil,
And I don't mind dying,
Cause you walking the earth baby,
And you'll never be mine.
