

Taylor Dayne, Don't Make Me Love You

Don't make me love you
Don't do that to me
Don't make me love you
Cause all it would mean
Is that you're getting to me
And that is something you should never do
Don't make me want you
Don't do that to me baby
Don't make me want you
Cause all that would mean
Is that you're getting to me
And that's something you should never do
So please don't make me want you
No, no, no
And I'm begging you
Don't make me need you
No
Cause all this would mean
And I'm asking you
Don't make me want you
No
Cause all this would mean
And I'm telling you
Don't make me love you
Please-oh
Don't make me love you
