

Taylor Dayne, Love Will Lead You Back

(Diane Warren)

Saying goodbye is never an easy thing
But you never said, that you'd stay forever

So if you must go

Well, darlin', I'll set you free

But I know in time

That we'll be together

Oh, I won't try

To stop you now from leaving

Cause in my heart I know

(chorus)

Love will lead you back

Someday I just know that

Love will lead you back to my arms

Where you belong

I'm sure, sure as stars are shining

One day you will find me again

It won't be long

One of these days

Our love will lead you back

One of these nights

Well I'll hear your voice again

You're gonna say, oh, how much you miss me

You walked out this door

But someday you'll walk back in

Oh, darling I know

Oh, I know this will be

Sometimes it takes, sometime out on your own now

To find your way back home

(repeat chorus)

But I won't try to stop you now from leaving

Cause in my heart I know...oh yeah

(repeat chorus)

Love will lead you back

Someday I just know that

Love will lead you back to my arms

It won't be long

One of these days

Our love will lead you back
