

# Taylor Dayne, Naked Without You

(Roachford, R. Nowels, B. Steinberg)

What have I done?  
I broke your heart  
Now there's no sun  
Just cold and dark  
Without your smile  
I can't laugh  
Without you baby  
I'm just a half  
I didn't know just what I had  
I didn't know I'd feel this sad  
But I feel  
Naked without you  
I feel naked without you  
I feel naked without you  
What have I done?  
I broke a vow  
But I'm the one  
Who's crying now  
Without your touch  
I can't feel  
Without forgiveness  
I can't heal  
Nobody else  
Can take your place  
And if I don't see  
Your angel face  
I feel naked without you  
I'm still crazy about you  
I feel naked without you  
I hurt the one  
Who really loved me  
Don't look at me  
I feel ugly  
I'm naked without you  
Oh  
My my my  
Oh  
I'm so tired  
But I can't sleep  
I threw away  
A love so deep  
I'm naked without you  
I'm still crazy about you  
I feel naked without you  
Oh  
Now now  
I'm naked without you  
In my bed  
I'm naked without you  
In my head  
I'm naked without you  
Oh  
I'm naked without you  
Oh  
Crazy without you  
I feel  
Yeah yeah  
Oh my my my  
Oh  
Crazy about you  
So naked without you  
Yeah
