

# Taylor Dayne, Upon The Journey's End

If you find hard times and troubles on the rock road ahead  
If you find nothing but sorrow everywhere you lay your head  
No you won't find me a stranger  
When you really need a friend  
Cause I wanna be there with you  
Upon the journey's end  
Yes I wanna be there with you  
Upon the journey's end

When all the pain has you broken and there is no place to hide  
When all your words have been spoken and there's nothing left inside  
There I will be right beside you  
I will cover you my friend  
Cause I wanna be there with you  
Upon the journey's end  
Yes I wanna be there with you  
Upon the journey's end

I will be strong  
I'll help you carry on  
When nothing and no one can stop us anymore  
Oh oh oh  
I will be there and I will always still say a prayer  
After the mountains crumble  
The stars and the moon and the sun all fade away

Oh when all your reasons for living have all but disappeared

And when the boats you've been sailing you can no longer steer  
There I will sail right behind you  
On winds of love I sail  
Cause I wanna be there with you  
Upon the journey's end  
Yes I wanna be there with you  
Upon the journey's end

I can see a brighter day  
I can see a better way  
I can feel it coming very near  
I feel like we belong  
I can see what's right and what's wrong  
We've been waiting for so long now it's here

If you find hard times and troubles on the rocky road ahead  
If you find nothing but sorrow everywhere you lay your head  
No you won't find me a stranger  
When you really need a friend  
Cause I wanna be there with you  
Upon the journey's end  
Yes I wanna be there with you  
Upon the journey's end

Yes I wanna be there with you  
Upon the journey's end
