

# Taylor Hawkins & The Coattail Riders, You Drive

You drive me insane  
But I like it  
I like it like that

I Don't need a sign  
'Cause I see it  
When I look into your eyes

I can't explain  
But it feels good  
Feels good to me

You drive me insane  
But I like it  
I like it like that

This don't mean nothin'  
Why does it tear you apart  
This don't mean nothin'  
Why is it breaking your heart

Don't let the lies  
Sometimes  
Leave it alone  
Don't ask me why  
'Cause there's no way  
No way to describe

You drive me insane

This don't mean nothin'  
Why does it tear you apart  
This don't mean nothin'  
Why is it breaking your heart

This don't mean nothin'  
Why does it tear you apart  
This don't mean nothin'  
Why is it breaking your heart

This don't mean nothin'  
Why does it tear you apart  
This don't mean nothin'  
Why does it tear you apart
