Taylor Swift, Bejeweled

Baby love, I think I've been a little too kind Didn't notice you walking all over my peace of mind In the shoes I gave you as a present Putting someone first only works when you're in their top five And by the way I'm going out tonight

Best believe I'm still bejeweled When I walk in the room I can still make the whole place shimmer And when I meet the band They ask, "Do you have a man?" I could still say, "I don't remember" Familiarity breeds contempt Don't put me in the basement When I want the penthouse of your heart Diamonds in my eyes I polish up real I polish up real nice Nice

Baby boy, I think I've been too good of a girl Too good of a girl Did all the extra credit then got graded on a curve I think it's time to teach some lessons I made you my world Have you heard? I can reclaim the land And I miss you But I miss sparkling

(Nice) Best believe I'm still bejeweled
When I walk in the room
I can still make the whole place shimmer
And when I meet the band
They ask, "Do you have a man?"
I could still say, "I don't remember"
Familiarity breeds contempt
Don't put me in the basement
When I want the penthouse of your heart
Diamonds in my eyes
I polish up real
I polish up real nice
Nice

Sapphire tears on my face Sadness became my whole sky But some guy said my aura's moonstone Just 'cause he was high And we're dancing all night And you can try To change my mind But you might have to wait in line What's a girl gonna do? A diamond's gotta shine

Best believe I'm still bejeweled When I walk in the room I can still make the whole place shimmer And when I meet the band They ask, "Do you have a man?" I could still say, "I don't remember" Familiarity breeds contempt Don't put me in the basement When I want the penthouse of your heart Diamonds in my eyes I polish up real (Nice) I polish up real nice

And we're dancing all night And you can try To change my mind But you might have to wait in line What's a girl gonna do? What's a girl gonna do? I polish up nice Best believe I'm still bejeweled When I walk in the room I can still make the whole place shimmer
