

Taylor Swift, Christmas Tree Farm

My winter nights
are taken up by
static , stress and
holiday shopping traffic

but I close my eyes and
I am somewhere else
just like magic..

in my heart is a Christmas Tree Farm
Where the people would come
to dance under sparkling lights
bundled up in their mittens and coats
and the cider would flow
and I just wanna be there tonight

sweet dreams
of holy and ribbon
mistakes are forgiven
and everything is icy and blue
and you would be there too
under the mistletoe
watching the fire glow
and telling me: I love you!
just being in your arms
takes me back to that little farm
where every wish comes true

in my heart is a Christmas tree farm
there's a light in the barn
we'd run inside out from the cold
in the town kids are dreaming of sleighs
and they're warm and they're safe
they wake to ee a blanket of snow

sweet dreams of holly and ribbon
mistakes are forgiven
and everything is icy and blue
and you would be there too
under the mistletoe
watching the fire glow
and telling me: I love you!
just being in your arms
takes me back to that little farm
where every wish comes true

baby, yeah
and when I am feeling alone
you remind me of home
baby, baby Marry Christmas
and when the world isn't fair
I pretend that we're there
baby baby, Marry Christmas
to you!

under the mistletoe
to you!
watching the fire glow
and telling me: I love you!

baby baby, Marry Christmas
baby baby, Marry Christmas
baby baby, Marry Christmas
I love you!

baby baby, Marry Christmas
baby baby, Marry Christmas
baby baby, Marry Christmas
may your every wish come true
