

# Taylor Swift, Down Bad

Taylor Swift prezentuje piosenkę "Down Bad" z płyty "The Tortured Poets Department" (premiera 1

Did you really beam me up?  
In a cloud of sparkling dust  
Just to do experiments on  
Tell me I was the chosen one  
Show me that this world is bigger than us  
Then sent me back where I came from  
For a moment, I knew cosmic love

Now I'm down bad, crying at the gym  
Everything comes out teenage petulance  
"Fuck it if I can't have him"  
"I might just die, it would make no difference"  
Down bad, waking up in blood  
Staring at the sky, come back and pick me up  
Fuck it if I can't have us  
I might just not get up  
I might stay down bad

Fuck it if I can't have him  
Down bad  
Fuck it if I can't have him

Did you take all my old clothes?  
Just to leave me here naked and alone  
In a field in my same old town  
That somehow seems so hollow now  
They'll say I'm nuts if I talk about the existence of you  
For a moment, I was heaven struck

Now I'm down bad, crying at the gym (Crying at the gym)  
Everything comes out teenage petulance  
"Fuck it if I can't have him" (Fuck it if I can't have him)  
"I might just die, it would make no difference"  
Down bad, waking up in blood (Waking up in blood)  
Staring at the sky, come back and pick me up  
Fuck it if I can't have us  
I might just not get up  
I might stay down bad

Like I lost my twin  
Fuck it if I can't have him (Down bad)  
Down bad  
Waving at the ship  
Fuck it if I can't have him

I loved your hostile takeovers  
Encounters closer and closer  
All your indecent exposures  
How dare you say that it's-  
I'll build you a fort on some planet  
Where they can all understand it  
How dare you think it's romantic  
Leaving me safe and stranded  
'Cause fuck it, I was in love  
So fuck you if I can't have us  
'Cause fuck it, I was in love

Now I'm down bad, crying at the gym (Crying at the gym)  
Everything comes out teenage petulance  
"Fuck it if I can't have him" (Can't have him)  
"I might just die, it would make no difference"  
Down bad, waking up in blood (Waking up in blood)

Staring at the sky, come back and pick me up  
Fuck it if I can't have us  
I might just not get up  
I might stay down bad

Like I lost my twin  
Fuck it if I can't have him (Down bad)  
Down bad  
Waving at the ship  
Fuck it if I can't have him

Like I lost my twin  
Fuck it if I can't have him  
Down bad  
Waving at the ship  
Fuck it if I can't have him
