I was supposed to be sent away, but they forgot to come and get me I was a functioning alcoholic till nobody noticed my new aesthetic All of this to say, I hope you're okay, but you're the reason And no one here's to blame, but what about your quiet treason?

And for a fortnight there, we were forever Run into you sometimes, ask about the weather Now you're in my backyard, turned into good neighbors Your wife waters flowers I wanna kill her

All my mornings are Mondays stuck in an endless February I took the miracle move-on drug, the effects were temporary

And I love you, it's ruining my life I love you, it's ruining my life I touched you for only a fortnight I touched you But I touched you

And for a fortnight there, we were forever Run into you sometimes, ask about the weather Now you're in my backyard, turned into good neighbors Your wife waters flowers I wanna kill her

And for a fortnight there, we were together Run into you sometimes, comment on my sweater Now you're at the mailbox, turned into good neighbors My husband is cheating I wanna kill him

I love you, it's ruining my life I love you, it's ruining my life I touched you for only a fortnight I touched you I touched you

I love you, it's ruining my life I love you, it's ruining my life I touched you for only a fortnight I touched you I touched you
