

Taylor Swift, Invisible

She can't see the way your eyes,
Light up when you smile
She'll never notice how you stop and stare,
Whenever she walks by
And you can't see me wantin' you the way you want her,
But you are everything to me

And I just wanna show you,
She don't even know you
She's never gonna love you,
Like I want to
You just see right through me,
But, if you only knew me
We could be a beautiful, miracle, unbelievable,
Instead of just invisible

There's a fire inside of you,
That cant help but shine through
She's never gonna see the light,
No matter what you do
And all I think about,
Is how to make you think of me,
And everything that we could be

I just wanna show you,
She don't even know you
She's never gonna love you,
Like I want to
You just see right through me,
But, if you only knew me
We could be a beautiful, miracle, unbelievable,
Instead of just invisible

Like shadows in a faded light
Oh, were invisible
I just wanna look in your eyes,
And make you realize

I just wanna show you,
She don't even know you
Baby, let me love you,
Let me want you
You just see right through me,
But, if you only knew me
We could be a beautiful, miracle, unbelievable,
Instead of just invisible

She can't see the way your eyes,
Light up when you smile
