

# Taylor Swift, Invisible

She can't see the way your eyes,  
Light up when you smile  
She'll never notice how you stop and stare,  
Whenever she walks by  
And you can't see me wantin' you the way you want her,  
But you are everything to me

And I just wanna show you,  
She don't even know you  
She's never gonna love you,  
Like I want to  
You just see right through me,  
But, if you only knew me  
We could be a beautiful, miracle, unbelievable,  
Instead of just invisible

There's a fire inside of you,  
That cant help but shine through  
She's never gonna see the light,  
No matter what you do  
And all I think about,  
Is how to make you think of me,  
And everything that we could be

I just wanna show you,  
She don't even know you  
She's never gonna love you,  
Like I want to  
You just see right through me,  
But, if you only knew me  
We could be a beautiful, miracle, unbelievable,  
Instead of just invisible

Like shadows in a faded light  
Oh, were invisible  
I just wanna look in your eyes,  
And make you realize

I just wanna show you,  
She don't even know you  
Baby, let me love you,  
Let me want you  
You just see right through me,  
But, if you only knew me  
We could be a beautiful, miracle, unbelievable,  
Instead of just invisible

She can't see the way your eyes,  
Light up when you smile
