Taylor Swift, The Great War

My knuckles were bruised like violets
Sucker punching walls
Cursed you as I sleep talked
Spineless in my tomb of silence
Tore your banners down
Took the battle underground
And maybe it was egos swinging
Maybe it was her
Flashes of the battle come back to me in a blur

All that bloodshed, crimson clover Uh-huh, sweet dream was over My hand was the one you reached for All throughout the Great War Always remember, uh-huh Tears on the letter, I vowed Not to cry anymore If we survived the Great War

You drew up some good faith treaties
I drew curtains closed
Drank my poison all alone
You said I have to trust more freely
But diesel is desire
You were playing with fire
And maybe it's the past that's talking
Screaming from the crypt
Telling me to punish you for things you never did
So I justified it

All that bloodshed, crimson clover Uh-huh, the bombs were closer My hand was the one you reached for All throughout the Great War Always remember, uh-huh The burning embers, I vowed Not to fight anymore If we survived the Great War Uh-huh, uh-huh

It turned into something bigger
Somewhere in the haze
Got a sense I'd been betrayed
Your finger on my hairpin triggers
Soldier down on that icy ground
Looked up at me with honor and truth
Broken and blue
So I called off the troops
That was the night I nearly lost you
I really thought I'd lost you

We can plant a memory garden Say a solemn prayer Place a poppy in my hair There's no morning glory It was war, it wasn't fair And we will never go back to that

Bloodshed, crimson clover Uh-huh, the worst was over My hand was the one you reached for All throughout the Great War Always remember, uh-huh We're burned for better, I vowed I would always be yours
'Cause we survived the Great War
Uh-huh, uh-huh
I will always be yours
'Cause we survived the Great War
Uh-huh
I vowed I will always be yours
