## Taylor Swift, Tied Together With A Smile

Seems the only one who doesn't see your beauty Is the face in the mirror looking back at you You walk around here thinking you're not pretty But that's not true, cause I know you...

Hold on, baby, you're losing it
The water's high, you're jumping into it
And letting go...and no one knows
That you cry, but you don't tell anyone
That you might not be the golden one
And you're tied together with a smile
But you're coming undone

I guess it's true that love was all you wanted Cause you're giving it away like its extra change Hoping it will end up in his pocket But he leaves you out like a penny in the rain Oh, cause it's not his price to pay Not his price to pay...

Hold on, baby, you're losing it
The water's high, you're jumping into it
And letting go...and no one knows
That you cry, but you don't tell anyone
That you might not be the golden one
And you're tied together with a smile
But you're coming undone

Hold on, baby, you're losing it
The water's high, you're jumping into it
And letting go...and no one knows
That you cry, but you don't tell anyone
That you might not be the golden one
And you're tied together with a smile
But you're coming undone

You're tied together with a smile But you're coming undone...oh Goodbye, baby Goodbye, baby With a smile, baby, baby
