

# Taylor Swift, Welcome to New York

Walking through a crowd  
The village is aglow  
Kaleidoscope of loud heartbeats  
Under coats  
Everybody here wanted something more  
Searching for a sound we hadn't heard before  
And it said

Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York  
Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York

It's a new soundtrack I could dance to this beat, beat  
Forevermore  
The lights are so bright  
But they never blind me, me  
Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York

When we first dropped our bags  
On apartment floors  
Took our broken hearts  
Put them in a drawer  
Everybody here was someone else before  
And you can want who you want  
Boys and boys and girls and girls

Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York  
Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York

It's a new soundtrack  
I could dance to this beat, beat  
Forevermore  
The lights are so bright  
But they never blind me, me  
Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York

Like any great love  
It keeps you guessing  
Like any real love  
It's ever changing  
Like any true love  
It drives you crazy  
But you know you wouldn't change anything, anything, anything...

Welcome to New York  
It's been waiting for you  
Welcome to New York

Welcome to New York  
Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York

It's a new soundtrack  
I could dance to this beat  
The lights are so bright  
But they never blind me  
New soundtrack  
The lights are so bright  
But they never blind me  
So bright  
They never blind me

Welcome to New York
