Taylor Swift, You Need to Calm Down

You are somebody that I don't know But you're takin' shots at me like it's Patrón And I'm just like, damn, it's 7 AM Say it in the street, that's a knock-out But you say it in a Tweet, that's a cop-out And I'm just like, "Hey, are you okay?"

And I ain't trying to mess with your self-expression But I've learned the lesson That stressing and obsessing 'Bout somebody else is no fun And snakes and stones never broke my bones, so

Oh-oh, oh-oh, oh-oh, oh-oh You need to calm down, you're being too loud And I'm just like oh-oh, oh-oh, oh-oh, oh-oh (Oh) You need to just stop, like can you just not step on my gown? You need to calm down

You are somebody that we don't know But you're coming at my friends like a missile Why are you mad When you could be GLAAD? (You could be glad)

Sunshine on the street at the parade But you would rather be in the dark ages Making that sign Must've taken all night

You just need to take several seats and then Try to restore the peace And control your urges to scream About all the people you hate 'Cause shade never made anybody less gay, so

Oh-oh, oh-oh, oh-oh, oh-oh You need to calm down, you're being too loud And I'm just like oh-oh, oh-oh, oh-oh, oh-oh, oh-oh (Oh) You need to just stop, like can you just not step on his gown? You need to calm down

And we see you over there on the internet Comparing all the girls who are killing it But we figured you out We all know now we all got crowns You need to calm down

Oh-oh, oh-oh, oh-oh, oh-oh You need to calm down (You need to calm down) You're being too loud (You're being too loud) And I'm just like oh-oh, oh-oh, oh-oh, oh-oh, oh-oh (Oh) You need to just stop (Can you stop?) Like can you just not step on our gowns? You need to calm down
