

Taylor Swift, You're On Your Own, Kid

Summer went away
Still the yearning stays
I play it cool with the best of them
I wait patiently
He's gonna notice me
It's okay, we're the best of friends
Anyway

I hear it in your voice
You're smoking with your boys
I touch my phone as if it's your face
I didn't choose this town
I dream of getting out
There's just one who could make me stay
All my days

From sprinkler splashes to fireplace ashes
I waited ages to see you there
I search the party of better bodies
Just to learn that you never cared
You're on your own, kid
You always have been

I see the great escape
So long, Daisy May
I picked the petals, he loves me not
Something different bloomed
Writing in my room
I play my songs in the parking lot
I'll run away

From sprinkler splashes to fireplace ashes
I called a taxi to take me there
I search the party of better bodies
Just to learn that my dreams aren't rare
You're on your own, kid
You always have been

From sprinkler splashes to fireplace ashes
I gave my blood, sweat, and tears for this
I hosted parties and starved my body
Like I'd be saved by a perfect kiss
The jokes weren't funny, I took the money
My friends from home don't know what to say
I looked around in a blood-soaked gown
And I saw something they can't take away
'Cause there were pages turned with the bridges burned
Everything you lose is a step you take
So make the friendship bracelets, take the moment and taste it
You've got no reason to be afraid

You're on your own, kid
Yeah, you can face this
You're on your own, kid
You always have been
