

# TC Matic, Being Somebody Else

Peut-tre je suis Pablo Picasso  
Avec la voix de Caruso  
Putting yourself into a role  
Putting yourself into a situation

You never be in  
You never be in  
You never be in  
Being somebody else  
Being nobody

I, I believe in heaven  
I, I believe in Hell  
Believe in water  
Believe in fire  
Helping old people cross the street  
And leave them alone in the gutter  
Weak as water  
Soft a butter  
Soft as butter

Being somebody else, being nobody

Being somebody else, being nobody  
Being somebody else, being nobody  
Being somebody else, being nobody  
Nobody
