

TC Matic, Call Me Up

I can't wait to hear you
I can't wait to see you
Please come and see me
In a hurry

Call me up, wait me up
Call me up, wait me up
Call me up, wait me up
Call me up, wait me up

Jump on the velo
Warm up your potato
Please come and see me
In a hurry

Call me up, wait me up
Call me up, wait me up
Call me up, wait me up
Call me up, wait me up

I need your smell
Je veux ton corps
I need your voice
It makes me feel so close

Call me up, wait me up
Call me up, wait me up
Call me up, wait me up
Call me up, wait me up

I'm hungry for love
I'm hungry for love
Hop, hop, hop
Hop, hop, hop
I'm hungry for love
I'm hungry for love
Hop, hop, hop
Hop, hop, hop

Elle est venue
J'ai vu
J'ai perdu
Maybe I'm good
For just a kiss

Call me up, wait me up
Call me up, wait me up
Call me up, wait me up
Call me up, wait me up
