

# TC Matic, Cook Me

Remember the days  
Remember the nights  
I was blind you were right  
I was looking for a funky time  
just looking for a funky time

I said oh oui cook me baby  
oh oui cook me  
I said oh oui cook me baby  
oh oui cook me

love love  
love is a ? told by a ?  
I couldn't see what was on your mind  
I'm not sure I do right now?

I said oh oui cook me baby  
oh oui cook me  
I said oh oui cook me baby  
oh oui cook me

Luck is made by yourself  
Luck is all I always want  
I'm so lucky got a lucky strike  
So lucky got a lucky strike

I said oh oui cook me baby  
oh oui cook me  
I said oh oui cook me baby  
oh oui cook me

cook cook  
cook cook me baby  
cook cook  
cook cook me  
cook cook  
cook cook me baby  
cook cook  
cook cook me
