

# TC Matic, Middle Class And Blue Eyes

She's mouthly loud  
With a heart of gold  
She bounds around  
Having a good time  
A petit young thing  
Good for the eye  
She knows what you know  
Be careful boy

When I'm down  
She's my mother  
When I'm happy  
She's my lover  
When I'm down  
She's my mother  
When I'm happy  
She's my lover

Maintenant je suis cocu  
Ich bin verrckt  
Elle est jolie  
Maintenant je suis cocu  
Ich bin verrckt  
Mais elle est partie

She's a part, a part of the cause  
She's a part, a part of the effect  
She's just a part, a part of it  
And that's it
