

TC Matic, Stop Rock

Working class
Middle class
OK there is a gap
They're all talking the same crap

What did you say
What did you say
Stop rock
Stop rock
We want more
Boys and girls
Popstars flopstars
Heroes heroes
All in the same uniform
What did you say
What did you say
Stop rock
Stop rock
We want more
My heroes don't talk
To me anymore
I already know what they're
Going to say
You'll never find diamonds
In my street
There's plenty of dogshit
On my feet
