

# Team Sleep, Ataraxia

Froze asleep  
Coma deep  
I dream I'm not out with you  
Alone at sea

And you watched the waves  
And you sang to me  
As we sink  
I dream I'm not out with you

Dropping deep  
Below the sea  
This dream I had with you  
Alone at sea

And we watch the waves  
You sing to me  
As we sink  
This dream I had with you  
Alone at sea...
