

# Tear Garden, White Coats And Haloes

Watch your step!  
They're all out spying  
Catch your breath  
They crawl like lions  
I'm flying!  
I'm flying!  
I'm diving  
Peacemeal  
Perservative-free  
No artificial colouring  
No fleas  
No flesh  
No trash  
No cans of cancer  
Tropical disease  
I'm clean  
Take a bite  
I'm tasting amber  
Strike a light  
I leave December
