

# Tears For Fears, Watch Me Bleed

Heaven comes to he who waits  
But I know I'm getting nowhere  
And all the deeds of yesterday  
Have really helped to pave my way  
Though there's no one near me now  
How come everyone can touch me  
You see the torture on my brow  
Relates to neither here nor now  
Watch me bleed  
Bleed forever  
Although my face is straight, it lies  
My body feels the Pain and cries  
Here the table is not bare  
I am full but feeling empty  
For all the warmth it feels so cold  
For one so young I feel so old  
Watch me bleed  
Bleed forever  
It's not allowed to be unkind  
But still the hate lives in my mind  
I'll make no noise  
I'll hide my pain  
I'll close my eyes  
I won't complain  
I'll lie right back and take the blame  
And try to tell myself I'm living  
And when it's all been said or done  
Where do I go ?  
Where do I run ?  
What's left of me or anyone when we've denied the hurting ?
