

Tech N9ne(feat.Calico), I'm A Playa

[Tech N9ne]

Mothafucka

I'm a playa (*18X*)

[Chorus]

I'm a playa, I'm a playa

I'm a playa, I'm a playa, I'm a playa

I'm a playa, I'm a playa, I'm a playa

Oh oh oh I'm a playa

(Ya, Tecca Nina is a playa)

[Tech N9ne]

If you see me lookin' clean cut

Matchin' from head to toe dippin' with a mean strut

Throwin' and blowin' green stuff

Hella creamed up with the bling cuff

Ain't no wicked we can kick it if you blue or beamed up

If you see me step off in the clubber with some pros

With about six of em cut no longer waitin' to be chosen

If you hear me tell my homies anything goes

With these chickens dippin' to Davy's right when the clubber close

If you see me on the grind gettin' mine

If you bust in a room and find me hittin' yours from behind

If you hear me bustin' rhymes, rippin' each and every time

If I got it at capacity and you still got a line

If I'm rollin' on dubs, if it's K-town bud

If they showin' me love with a red rug at the club

If you see them haters givin' me mugs

Ladies givin' me hugs

Know it ain't no rocket science it's because

[Chorus] 2x

I'm a playa, I'm a playa

I'm a playa, I'm a playa, I'm a playa

I'm a playa, I'm a playa, I'm a playa

Oh oh oh I'm a playa

(Ya, Tecca Nina is a playa)

[Tech N9ne]

I'm a playa in every sense of the word ya heard

I'm gettin' money from these dummies flip your chick so absurd

I'm a playa and I pop collars

I'm a playa when I don't or when I drop dollars

Them rottweilers

She don't want no softie sayin he do when he don't

She don't want no perpetratin' nine-to-fiver tryin' to flaunt

She don't want no punk that can't get it crunk

No she don't

That's how it goes so my homie Calico, tell em what she want

[Calico]

She want a playa not thugs on dubs

We be rollin' them 22's and 3's

Poppin' ludes and V's

I'm in hot pursuit of a prostitute

Calico knock boots gots lots to shoot

And I'm pullin' out the latex

And givin' it to who's next

I'm pullin', pull a brunette

With unforgettable sex

She's oohin' oohin' new sweat

And I ain't tellin' who's wet

And I ain't gettin' loose yet

So who's next

For group sex

[Chorus] 2x

I'm a playa, I'm a playa

I'm a playa, I'm a playa, I'm a playa

I'm a playa, I'm a playa, I'm a playa

Oh oh oh I'm a playa
[Tech N9ne]
(Listen closely, this is somethin' you might not know)
Never ever tell your love or else she'll get your love
Move in groups, no one on one when you hit the club
And you should know this if you call yourself a wicked thug
If you creep to the movies, throw away your ticket stub
If you sexin', learn this lesson when you wash off
Just use hot water, don't put no soap on your washcloth
That way when you get home
No questions, you won't leave her bent
Don't be a dope and use the soap cause it will leave a scent
Don't tell a number 2 that she's your one and only
Cuz if she knows we're easy to go her own way
If you takin' chickens to your secret home, hey
Always go the back way confuse em just take the long way
To all my ladies if you playin' throw your hands up
To all my fellas if you playin' throw your grands up
This is forever baby havin' clever thangs
I'm a playa mothafucka and I bet I never change
[Chorus] 4x
I'm a playa, I'm a playa
I'm a playa, I'm a playa, I'm a playa
I'm a playa, I'm a playa, I'm a playa
Oh oh oh I'm a playa
(Ya, Tecca Nina is a playa)
[Chorus] Slowly
I'm a playa, I'm a playa
(I'm a playa!)
I'm a playa, I'm a playa
(No stoppin me!)
I'm a playa, I'm a playa
I'm a playa!
