

Tech N9ne, Get The Fuck Outta Here

Get The F**k Outta Here (Nina)
Get The F**k Outta Here (Popper)
Get The F**k Outta Here (Wall)
Get The F**k Outta Here

[Tech N9ne]

Yeah

Imma spitter, you other cats beyond litter
Thats probably why you just penny pushin and im bigger
So you hate on me cause you like paper and im gritter
With two Bianacas up on my arms like John Ritter
Oh my goodness is they talkin shit again
When i've been player on the day i became a U.S. citizen
Haters keep wishin Imma take loss but i'm finishin
Killer but skriller just like Percy Miller No Limits then
I aim for digits (?) said my people came to get it
He used to be bigger but then became a megget
Taken out of the game livin lame and livid
So he gotta hate on the next man
cause he dont got the money we left em' at the bottom so now he an ex Tech fan
Get the f**k outta my face and winnin is no a mistake and you gotta be hot sittin and watchin me ex
You take falls, I take her and take drawls
They give you the weight stall, They give me the mate call (ooh baby)
You yay tall, love is me but hates ya'll
Thats why imma take all with Pops and the Great Wall nigga

[Paul Wall]

I do this for my partners standin out there on the block
And i do this for the haters on the sideline that not
Despite what they be sayin i just cant seem to stop
Gettin this guap i gotta alot partner im almost to the top
I gotta cop new watch n' fresh grill and new clothes
Im tryin to come down candy low sideway on foes
I gotta get that bread it be money over these hoes
Cause my fans be turnin to foes and harsh words lead to blows
They mad at me cause im the s**t why they just s**t
And i get up off my a** and get it why they just sit
They upset cause im gettin bread why they layin in bed
Even though i started off at the bottom imma hundred miles ahead
They steady be talkin lyin on me tryin to slander my name
Cause im the man man but they washed up down the drain
They hate me cause the hate but please dont make no mistake
They knock me but cant stop me cause im Paul Wall the Great baby
