

Tech N9ne, Imma Tell

(Verse 1)

The killa clowns in your town raising all hell
Tecca nina with the stamina coming to damage ya buckin'
The bammer when I bust with a bang.
And it ain't no clause that say fraud ain't no tall tales
Women love it when I hit when I covet the booty they
Giving it to me but it ain't no thang

We reppin' KCMO fellas and the ladies know
That we comin' with the killas I'm with the gorillas
The villains will get you when you disrespect us
Even the babies know Tech nina got crazy flow
We be giving the women the willy we sick of the haterz
Wanna pay us go to get this record

This is important we be courtin' every place we go
Get you up in the room ain't trippin' off of the groom
I'll give it to you anyway you wanna have it
Baby is a horse and yes of course Imma have 2 break the ho
Leaving the kids at home I wanna bone alone we hopping
Up and down like jack rabbits

So many kids put this on their daddy's mind
Never will I ever put him out there like that feelin' that
I did Tecca nina take it right back.
Tellin' him that the mommy's boyfriend's Tech N9ne.
Do be lookin' at me like you really wanna fight
Cat all Tecca Nina wanna know is where the mic at?

(Chorus)

This is the town where the clowns put it down baby
(Mama say stop or I'm gonna tell papa)
