(Listen closely, this is somethin you might not know) Never ever tell your love or else she'll get your love Move in groups, no one on one when you hit the club And you should know this if you call yourself a wicked thug If you creep to the movies, throw away your ticket stub If you sexin, learn this lesson when you wash off Just use hot water, don't put no soap on your washcloth That way when you get home No questions, you won't leave her bent Don't be a dope and use the soap cause it will leave a scent Don't tell a number 2 that she's your one and only Cause if she knows we're easy to go her own way If you takin chickens to your secret home, hey Always go the back way to confuse em just go the long way To all my ladies if you playin throw your hands up To all my fellas if you playin throw your grands up This is forever baby havin clever thangs I'm a playa mothafucka and I bet I never change

(Chorus) 4x I'm a playa, I'm a playa I'm a playa, I'm a playa, I'm a playa I'm a playa, I'm a playa, I'm a playa Oh oh oh I'm a playa (Ya, Tecca Nina is a playa)
