

Ted Nugent, Stranglehold

Here i come again now baby
like a dog in heat
tell it's me by the clamor now baby
i like to tear up the street,
now i been smokin for so long,
ya know im here to stay
got you in a stranglehold baby
you best get outta the way
road i cruise is a bitch now baby
but no you cant turn me round
and if a house gets in my way baby
ya know Ill burn it down
you ran the night that you left me
you put me in my place
i got you in a stranglehold baby
you gonna cross your face
yeah
sometimes you wanna get higher
and sometimes you gotta start low
some people think they gonna die someday
i got news ya never got to go
c'mon c'mon up (4 times)
c'mon c'mon c'mon c'mon baby
c'mon c'mon c'mon c'mon up
c'mon c'mon c'mon c'mon baby
c'mon c'mon c'mon
road i cruise is a bitch now
ya know ya cant turn me round
and if a house gets in my way
ya know Ill burn it down
you ran the night that you left me
you put me in my place
i got you in a stranglehold baby
that night I crossed your face
